Dear Mr. Commissioner:

It has been found that the names of three Indians have been omitted from the census taken here on June 30, 1928. I am enclosing stickers showing these three Indians and the other information as it should appear in the census for attachment to the two copies of our census on file in the Office.

Cheyenne & Arapaho Agency,

Aug. 14, 1928.

The Honorable Commissioner
of Indian Affairs,
Washington, D. C.

Sir:

I have the honor to transmit herewith in duplicate the Tribal Census of the Cheyenne & Arapaho Indians of this agency, taken on June 30, 1928.

This census is a combined roll of the three rolls of the former Cheyenne & Arapaho agencies. In combining the three rolls, no distinction of tribes has been made in order that all members of the families may appear together. The tribes have intermarried to such an extent that there is no longer two tribes.

S. L. S.

Very respectfully,

L. S. Bonnin,
Superintendent.

Legend for use in reading Census

The following initials stand for the words written after same:

H	- - - - -	-Husband
W	- - - - -	-Wife
S	- - - - -	-Son
D	- - - - -	-Daughter
GrS-	- - - - -	-Grandson
GrD-	- - - - -	-Granddaughter
F	- - - - -	-Father
M	- - - - -	-Mother
B	- - - - -	-Brother

SS	- - - - -	-Step-son
SD	- - - - -	-Step-daughter
Or	- - - - -	-Orphan
AdS-	- - - - -	-Adopted Son

The following signs have been used and their meaning is hereby explained:

● Means a birth or death either, which has not been previously reported.

* Means an Indian who has received a patent in fee for land.

The letter, F, has been used to indicate full blood Indians and the mixed bloods have been so indicated by the fractional part of their Indian blood being stated.

A small letter, m, and a small letter, f, have been used to indicate males and females.

Members of some of the families, who are not actually enrolled at this office, but who have relatives who are, have been placed on this roll, but have not been numbered. They have been put on the roll for general information when wishing to know all the members of each family.

This roll is a combination of the three rolls of the former Cantonment, Seger and Cheyenne & Arapaho rolls. The numbers followed by a small c indicate the Indians on the former Cantonment rolls, those followed by the letter s, indicate the Indians on the former Seger rolls and those not followed by a letter are those Indians on the former Cheyenne & Arapaho roll. Since there are three sets of numbers and since the roll has been arranged in strictly alphabetical order according to the last name, the numbers do not run in succession.

CENSUS of the CHEYENNE & ARAPAHO INDIANS

of

CHEYENNE & ARAPAHO AGENCY

CONCHO, OKLAHOMA

TAKEN on APRIL 1, 1930

by

L. S. BONNIN, SUPERINTENDENT.

INSTRUCTIONS

(A) A separate roll is to be made of each reservation, also of each *subdivision* or reserve, and a separate roll of Indians allotted on the public domain or *homestead*. The roll is to be based on enrollment and not on residence.

(B) Persons are to be listed by families alphabetically—that is, not only by the first letter of the surname, but also by the second and subsequent letters, when the first letter or letters are the same. For example: Abalon, Abbott, Abcon, Abend, Abiet; Ball, B. B., B. C., B. D., B. E., B. F., B. G., B. H., B. I., B. J., B. K., B. L., B. M., B. N., B. O., B. P., B. Q., B. R., B. S., B. T., B. U., B. V., B. W., B. X., B. Y., B. Z. Families having the same surname are also to be listed in this way, e. g., Brown, B. B., Brown, B. C., Brown, B. D., Brown, B. E., Brown, B. F., Brown, B. G., Brown, B. H., Brown, B. I., Brown, B. J., Brown, B. K., Brown, B. L., Brown, B. M., Brown, B. N., Brown, B. O., Brown, B. P., Brown, B. Q., Brown, B. R., Brown, B. S., Brown, B. T., Brown, B. U., Brown, B. V., Brown, B. W., Brown, B. X., Brown, B. Y., Brown, B. Z. In the case of English translation of Indian names, such as John Flying Elk, Flying Elk is the surname and is to be listed under F. If such cases the first word is the translated Indian name determines the alphabetical position. The best way to accomplish this will be to write the names of each family group on a separate card; then, arrange the cards alphabetically and type the names therefrom onto the census roll.

Members of a family are to be listed in the following order: Head, first wife, second wife, children, whether sons or daughters, in the order of their birth, and finally, other relatives and persons living with the family who do not constitute another family group.

Annuity and per capita payment rolls are also to be prepared in the same manner.

(C) A family is composed of the following members:

1. Both parents and their unmarried children, if any, living with them; all other relatives and persons living with the family who do not constitute another family group.
2. Either parent and the unmarried children, if the other parent is dead; all other relatives and persons living with the family who do not constitute another family group.
3. A single person over 21 years of age, not living with a relative.

(D) For each person the following information is to be furnished:

1. NUMBER.—A number is to be assigned in serial order. Thus, the first person listed is to be numbered as "1," the second, as "2," and so on until the census is completed.
2. NAME.—If there are both an Indian and an English name, the allotment or annuity roll name is to be given. First, the last or surname; then, the given name in full. Ditto marks are to be used under the surname of the head for the surnames of the other members of one family.
3. SEX.—"M," for male; "F," for female.
4. AGE AT LAST BIRTHDAY.—Age in completed years at last birthday is to be shown. For infants under 1 year, age in completed months, expressed as twelfths of a year. Thus, 3 months as $\frac{3}{12}$ yr.
5. TRIBE.—Care is to be taken that tribe, not band or local name, is given. Thus, Ute tribe, not Pahvant, which is a band of Ute. Likewise, Hupa tribe, not Bear River, which is a local name for the members of the Hupa tribe living near Bear River.
6. DEGREE OF BLOOD.—"F," for full blood; " $\frac{1}{4}$ +," for one-fourth or more Indian blood; " $-\frac{1}{4}$," for less than one-fourth Indian blood.
7. MARITAL STATUS.—"S," for single or unmarried person; "M," for a married person; and "Wd," for widowed of either sex.
8. RELATIONSHIP TO HEAD OF FAMILY.—The head, whether husband or father, widow or unmarried person of either sex, is to be designated as such. For the other members; the appropriate term which designates the particular relationship the person bears to the head is to be used.
9. RESIDENCE.—
 - (a) At jurisdiction where enrolled: Yes or no. The term jurisdiction includes all reservations and public domain allotments under the agency.
 - (b) Or at another jurisdiction. The name of the jurisdiction is to be given.
 - (c) Or elsewhere:
 1. Post office: Both the proper name of the post office and the class by which it is known (city, town, village, etc.) are to be given. Thus, Lewiston, city.
 2. County.
 3. State.
10. WARD.—Yes or no. Wardship depends primarily upon the ownership of individual property held in trust or upon non-residence in a Federal reservation. See Circular 2145.
11. ALLOTMENT, ANNUITY, AND PER CAPITA PAYMENT NUMBERS.—"Al," for allotment; "An," for annuity; and "Id," for identification, showing the appropriate number or numbers. All numbers are to be shown.

(E) Rolls not prepared in strict conformity with these instructions will be returned for correction.
